Subject: San Jacinto Site

Mike McCorkhill was at the meeting this morning and stop by to see where he could help. I told him that I had talked with Gary and we needed more help from Donn on community issues/items and the Site Profiles. He quickly agreed that they could help on that. I told him that John, Gary, and I were going to meet and put a plan together and then meet with him and Donn to list items that they can help with. CAS
